

Dear Sir/Madam,

The Central Institute of Educational Technology (CIET) a constituent of the NCERT is engaged in promoting use of Educational Technology (ET) for improving quality and access to school education, including teacher education. The Institute develops teaching learning materials, organizes capacity building training programs, undertakes extension activities and conducts research programs.

Program to utilize and promote puppets in education is also one of the major activities of CIET. CIET organizes workshops and training programmes on puppets in education through face to face and EduSat mode. CIET also produces puppet-based video programs.

Now CIET plans to develop a Puppet Exhibition Centre/ Puppets Museum at CIET. For this we need lots of different puppets both traditional and contemporary which will also be used for workshop/training and video programme production. CIET therefore plans to buy the various kinds of puppets (String puppets, Shadow puppets, Rod puppets, Gloves puppets, finger Puppets etc. Puppets may be from human or animal families) developed by traditional and contemporary puppeteers who prepare or collect the puppets. We would appreciate if one can develop and supply puppets according to our needs. If some story based readymade packages are available we may buy the same. Those who keep extra-ordinary puppets may contact us.

Interested persons may give their details along with photo of puppets through mail or send sample of real puppets by post. Some characters are given below

You are also requested to mention the rate of your puppet characters which you will provide to CIET.

For Example:

1. Human family like:

- Mother, Father, Grandmother, Grandfather, Uncle, Aunty-two each in different look (**Mouth puppets with rod**)
- Sister, Brother-four each in different look (**Glove puppets**)
