14th All India Children's Educational audio Video Festival 2009

Pre-festival Seminar on 3rd March

Press Note

The Central Institute of Educational Technology, NCERT is organizing 14th All India Children's Educational Audio Video Festival during March 4-6, 2009. As a part of the Festival a one day Pre festival Seminar on "Video Production By Children For Children" is organised on 3rd March 2009.

CIET had conducted 5 workshops for children on Video Production. These were conducted in collaboration with the State Institutes of Educational Technology (Hyderabad, Pune, Bhubaneshwar, Ahmedabad and Lucknow) during Dec 2008-Jan 2009. In these workshops children produced programmes by writing scripts, shooting as well as editing. These workshops once again underlined creativity in the new generation. CIET and SIET producers jointly conducted these workshops.

In order to share these experiences and also listen to young producers' experiences, a one day Seminar is organised on 3rd March at CIET. Prof. Vijaya Mulay has kindly consented to Chair the inauguration session as well as guide the proceedings. Mr. Mike Pandey, noted Filmmaker and Conservationist will deliver the Keynote address.
